Scott M. Howey (April 8th)

The duties of a teacher are neither few nor small, but they elevate the mind and give energy to the character. The teacher is more important than what he teaches because they show you where to look but not what to see. Scott M. Howey showed us a gentle soul full of comedy and light hearted mischief. He was hilarious and often thought to be up to no good. He was just looking for a good deal.

Scott loved to fish and every angler has a story about how the big one just got away. On Thursday, March 25, 2021 Scott got away from us. After a very brief illness, he passed away at Jefferson Hospital in Washington Twp. at the age of 41. Miss me a little – but not too long -- and not with your head bowed low. Remember the love that we once shared. Miss me – but let me go.

Scott was born in and spent his whole life as a Gloucester City neighbor. He was an avid Philadelphia sports fan cheering on the Eagles and Phillies. Scott had a genuine and sincere love for kids and worked as a teacher spending time in Bell Oaks School in Bellmawr and in Gloucester City.

He is the brother of Jeffrey Howey and is also survived by Amanda Soder, her children, Chucky, Joyce and Grace, his cousin Bryan Reisert, his aunts, Lucille Moss and Clara Oorlog, his uncle Cliff Oorlog, as well as many cousins and friends.

Jacqueline was the daughter of the late James & Bertha (nee Dischert) DuCoin. She leaves behind to cherish her memory, her beloved husband David G. Jacqueline is the proud grandmother of Joseph, III (Andrea), Bethany (fiancé Valeriy), David (fiancée Erica) and Andrew Branco; Karrsen, Easton and R.J. Jacqueline is also survived by her dear sister Barbara DiOrio, her beloved niece Barbara DiOrio Borgesi, her beloved nephew Robert DuCoin (Patricia), and predeceased by her brothers James and Robert, and by her sister Bertha Rackleff.

Jacqueline, best known as "Jackie," was an amazing trailblazer for her generation. She successfully raised her children and created a wonderful home while serving as vice president of Aron Movers, the family business established by Jacqueline and her husband, David, in 1958.

Married for nearly 64 years, Jackie and Dave shared a love of family gatherings, holidays, Summers by the pool, family traditions and values, wonderful vacations, and the profound joy that their ever-growing family gave them. Her favorite role, however, will forever be that of Grandmom, GramGram, and GiGi to her grandchildren and great grandchildren. She delighted in spending every possible moment with them and in showering them with great love, affection, and, much to the feigned chagrin of their parents, an abundance of sugary treats.

Karen Michelle Gibbs (April 22nd)

Karen Michelle Gibbs (nee Sbalcio), 62, of West Deptford passed away on April 2, 2021.

Predeceased by father Salvatore Sbalcio and mother Marion Sbalcio. Survived by her loving husband of 41 years, Donald C. Gibbs Jr., and her devoted children Brett and Brittany Gibbs. Dear sister of Ronnie Brunker and the late Wayne Brunker and brother of Thom Sbalcio (Alicia). Cherished mother-in-law of Queenie Gibbs and the late Donald Gibbs. Loved by many cousins, nieces and nephews and in-laws.

Karen graduated from Gloucester City High School in 1977, graduated nursing school in 1990, and worked as a nurse for 30 years. Karen was a hockey mom, and her biggest joys were watching her children play hockey and being around family and friends. She was a second mother to all who visited the house (Fort Gibbs). Karen had a special and unique bond with each and every niece and nephew and also each and every friend that would frequent the house on a regular occasion. She was an avid sports fan of all Philadelphia sports teams. An animal lover, every dog that she owned had a special bond with her.

Karen was a lover of all types of music and could tell you which artist or band wrote any song that came on the radio. She loved watching shows with her family and could quote a line from all of them. Her cooking was one of her many talents and she always related it back to her Italian heritage.

She grew up spending her summers down the shore and loved the beaches of Wildwood and Cape May. Her all-time favorite vacation was going to Disney World with her family. Karen loved spending time with Don's Motorcycle Club and the men enjoyed her cooking as much as everyone else. She may not have rode a motorcycle, but she was the heart of the club and they loved when she was around.

Her kids will always remember her as the "hockey mom" who drove them hours each week to every game and practice. Karen loved when her kids' friends would hang out at the house and she was referred to as the "cool mom." She was known for wearing her bright red lipstick.

Whenever Karen went out, people had a tendency to gravitate towards her loving and funny personality. One of her favorite hobbies was dancing with her brother, cousins and close friends at outings and weddings. For everyone she encountered she left a lasting and loving impact on their lives. Karen will be remembered as a wonderful mother, wife and best friend to all. “She wasn’t just a mother to us, she was also our best friend, she was our person.”

Michael Hutchinson (April 22nd)

Michael “Hutch” Hutchinson, 64, of Gloucester City passed away on April 9, 2021, at the age of 64. He left this world surrounded by loved ones who will continue to honor his life.

Hutch was a graduate of Gloucester High School Class of 1975, where he excelled on the football field and basketball court. He was a member of the 1,000-point club for the GHS basketball team and was inducted into the Gloucester City High School’s Athletic Hall of Fame because, according to him, “the rebounds were all mine.”

Hutch worked many years as a corrections officer at Camden County Department of Corrections in Camden City, but that profession did not stop him from being the gentle giant that his family and friends knew and loved. Also referred to as the “Eighth Wonder of the World”, Hutch was a sports fanatic. If you were on the court or field, it would be his voice you would hear cheering you on, if he did not like the call by the ump or ref, it would be his voice of discontent you would hear. Hutch had a memory that was unbelievable. He could remember every play, move, mistake, and score from his childhood and high school years to his cousins, nieces, nephews, grandchildren, and of course any sports Marci played.

Hutch was your biggest fan, supporter, voice, and cheerleader standing there at 6’5” the biggest guy in those stands. Hutch lived for all those special games. He will forever be remembered for his larger-than-life personality and his storytelling will remain unmatched and sorely missed.

Hutch was a loving husband to Donna (nee Walens), a proud father to Marci and Andrea Myers (Mike McGuigan), and a doting Pop-Pop to Elias (aka "#1A") and Julian (aka "#1B"). He was brother to Phyllis "Kitchie" Cipolone (late Joe) and Joseph Hutchinson. Son of the late Joseph and Gloria Hutchinson (nee Fiocca). Son-in-law of Edmund Walens and the late Arlene Walens. Brother-in-law to Cheryl (Ron) Walens-Hill, Edmund (Kim) Walens III, Carole Walens. Uncle to Dana and Kim Cipolone, Mindy (Ryan) Knight, Andrew (Renee) Myers, Steven Myers, Keith Walens, Megan and Tyler Hill (Joy). Great-uncle to Ryan (Ryry), Brayden (BrayBray), Addy, Michael, and Miranda. Also, survived by too many friends to name. However, they were also his family to him.

Hutch had a special bond with Elias from his early years to his love of sports. There was no one that could talk sports, scores, and stats as fast as Hutch except for Elias. Elias was the one person that could get Hutch out of the house and, of course, that was to get chicken parm and milkshakes after one of his sports games.

Hutch was a second dad to Marci's friends where they had sleepovers every weekend, sometimes even twice a week. He would always pose in the pictures whether it was with a silly hat or with all his girls he loved dearly. Once they walked in the house, they knew it would be at least an hour of storytelling and flailing hands and of course his favorite line to them, "Quit Thumping Around Up There."

He will forever be remembered for his love of his furry house cats as well as his outside cats. Hutch was a protector of all living creatures. You did not want to mess with him if he found out you hurt any animal. He loved all creatures big and small. He will be missed by all his furry friends.

Hutch loved his coffee in the morning, afternoon filled with fun with all the kids especially ELO with his Henry Huggle Monster. He adored watching all the kids grow up in front of his eyes and teaching them new tricks like grabbing him a water bottle, getting peanuts to feed the squirrels, and of course teaching them all about sports and music. At night, he loved to watch his sports and game shows, along with eating his dinner at eight even though his wife Donna made it at five.

He was always excited for his vacations down the shore to Wildwood that brought him back to the "good ole days" and where he had the best memories with his family and friends. He loved watching them spin the wheel, play cards, and having the time of their lives. As the kids grew up, he loved seeing his great nephews/niece and making special bonds and memories with them.

His daughter and wife secretly loved hearing his stories everyday even if they heard them a million times already because of the pure happiness that came with the story.

The three of them together lived a low-key life but to them it was the perfect life with Jules. Donna and Marci will miss being boxed out in the kitchen when they try to get their cup of coffee in the morning, almost getting hit by Hutch because they scared him by just walking in the hallway, his exaggeration of falling, his hands gestures, his magic touch to get Jules asleep, his hugs, and most of all his laugh and smile.

Family and friends are invited to celebrate his life on Friday, April 30, from 11 a.m. to 3 p.m. at the Brooklawn American Legion, 11 Railroad Ave, Brooklawn. Sharing of memories and stories of Hutch will begin at 1 p.m. All who attend are asked to dress in their favorite sports gear, anything purple, or the Hutch standard: T-shirt, shorts, visor, and a smile.

In lieu of flowers, memorial donations may be made to: Feral Animal Society of Gloucester City. Account #5820, TD Bank, 101 South Broadway, Gloucester City, NJ, 08030. Please write in the memo, Michael Hutchinson. Funeral arrangements entrusted to the McCann-Healey Funeral Home, 851 Monmouth St., Gloucester City.
